HAND DELIVERED

Dear Sir/Madam:

Please be advised that I am in receipt of the Court's correspondence concerning my membership with the Court. I originally filed this action in the Superior Court of New Castle County. The action was subsequently removed to this Court. After speaking with your office, I was instructed to write this correspondence informing the Court of my pending admission scheduled for July 30, 2018. Shortly thereafter, I would be in the position to enter my appearance on behalf of the Plaintiff. At this juncture, I would respectfully request that the Court refrain from taking any action on this matter until such time that I am admitted and have the opportunity to enter my appearance. If you should have any questions or concerns, I am available at the Court's convenience.

Very truly yours,

Daniel D. Martin
